SUBJECT INDEX
AUTHOR INDEX

Volume 64, January-December, 1979

This index consists of two parts: a subject index and an author index. EDITORIALS and BOOK REVIEWS appear under those headings. The author index includes the title of the article under the principal author, co-authors are also indexed separately. Each entry is followed by the page and issue number in bold type.

Vol. 64 consists of six issues: January-February, March, April, May-June-July, August-September-October, November-December.
